Minority Summit: Power of Collaborating with VA

Partnerships with our academic affiliates are crucial to the success of Veteran health care and to developing a diverse pipeline of future health professionals for VA and the nation.

Please join us as we look to increase diversity opportunities while highlighting VA clinical training, scholarships, loan programs and research grants.

Once you register, you will receive an email with details on connecting to the 2021 VA Minority Summit via the virtual platform. Thank you for completing your registration!

We look forward to having your voice at the table.
